

HUDSON FERRY CAPITAL

Overview

Hudson Ferry Capital invests in established lower middle market companies in partnership with management teams.

We are based in Stamford, CT and are actively investing from our latest fund, Hudson Ferry Capital III, a committed \$200 million SBIC.

Our principals have a combined 100+ years of experience successfully investing in middle market companies in many industries during various economic cycles. We are pursuing acquisitions of established privately-owned businesses that differentiate themselves through product and process innovation in stable or evolving markets.
